### Why MemberHub?

#### → **Save time and energy**

#### → **Be sure that you're in the know**

For every parent who's found a flier or important school message crumpled in the bottom of your child's backpack (or not at all), MemberHub can help. You'll be certain that you got the message with a central -- paperless -- point of access.

#### → **Support your child's school in a way that makes sense for you**

MemberHub gives you better line of sight and flexibility to support your school. All the options are there: Donate your time, items, or money.

#### → **Stay better connected with your child's school life**

MemberHub gives your school's PTA access to technology in a whole new way. Communication, engagement, and support are easier when everyone is on the same page. You can also stay connected on the go with the MemberHub mobile app.
